

Waterford Lions Donate \$6,000 to Area Food Pantries

Continuing Lions International's "We Serve" motto, the Lions Club of Waterford is distributing \$1,000 to each of the following area food pantries during the week before Thanksgiving: LOVE INC, St Thomas Church Food Pantry, Caldwell United Methodist Church Food Pantry, Community United Methodist Church Food Pantry and Norway Lutheran Church Food Pantry. A \$1,000 donation was also made to the Racine County Food Bank.

Waterford Lions Club funds are also used to support youth programs, disasters, local scouting, Waterford High School Scholarships and numerous social needs at the local level while following Lions International's Youth, Vision, Hunger, Environment and Diabetes initiatives.

The Waterford Lions are the largest service organization in the community and they generate funds through events such as The Waterford July 4th Parade and Duck Race, Racine County Fair Bingo, Waterford Lions Car Show, Lions Fall Chicken BBQ/Tractorcade and the recent Brewfest. All funds generated at these events must be returned to the charities the club supports.

The club, organized in 1960, currently has 41 members. Individuals interested in more information about the club or joining this service organization are encouraged to contact Robert O'Connell, Club President at 262-534-3066.

A food pantry check was presented to Barb Howard, LOVE Inc. Executive Director by Lion President O'Connell

A food pantry check was presented to Pastor Bill Busch, Community United Methodist Church, by Lion President O'Connell

A food pantry check was presented to Betty Mehring, St. Thomas Catholic Church, by Lion President O'Connell
